

Riverside University Health System
Research Symposium
May 1st, 2024

CALL FOR SUBMISSIONS

Abstracts for the 2024 Riverside University Health System Research Symposium are now being accepted. All submissions must be related to health services. Abstracts will be uploaded in MS Word or PDF Format. Please do NOT include author names on the abstract. Author information will be collected during the submission process.

What to include in your abstract:

- Title of project
- Introduction
- Materials / Methods*
- Results*
- Discussion / Conclusion
- 400-word maximum length

*For case reports / clinical vignettes:
replace “Materials / Methods” and
“Results” with “Case Description.”
